SECTION I — DEFINITIONS

"Named perils" means the specific causes of loss listed in Section II of this form; losses not caused by a named peril are not covered under Coverage A, B, or C.

"Residence premises" means the one-family or two-family dwelling, other structures, and grounds located at the address shown in the Declarations.

SECTION II — NAMED PERILS COVERED

This is a named-peril form, not an open-perils form. Coverage A, B, and C apply only to direct physical loss caused by: fire or lightning; windstorm or hail; explosion; riot or civil commotion; aircraft; vehicles; smoke; vandalism or malicious mischief; theft; falling objects; weight of ice, snow, or sleet; accidental discharge or overflow of water or steam from within a plumbing, heating, or air conditioning system; sudden and accidental tearing apart, cracking, burning, or bulging of a steam or hot water heating system; freezing of plumbing, heating, air conditioning, or automatic fire protective sprinkler systems; sudden and accidental damage from artificially generated electrical current.

SECTION III — EXCLUSIONS

F-1 Flood. We do not cover loss caused by flood, surface water, waves, tidal water, or overflow of a body of water, whether driven by wind or not.

F-2 Earth Movement. We do not cover loss caused by earthquake, landslide, or sinkhole.

F-3 Water Backup. We do not cover loss caused by water that backs up through sewers or drains, or that overflows from a sump, unless the peril listed in Section II — accidental discharge from within a plumbing system — applies.

F-4 Neglect. We do not cover loss caused by the insured's failure to use reasonable means to protect property after a loss.

F-5 Ordinance or Law. We do not cover loss arising from enforcement of building codes or ordinances.

F-6 War and Nuclear Hazard. We do not cover loss caused by war or nuclear reaction, radiation, or contamination.

F-7 Intentional Acts. We do not cover loss caused intentionally by an insured.

F-8 Wear and Tear. We do not cover loss caused by wear and tear, deterioration, or inherent vice.

F-9 Mold and Fungus. We do not cover loss caused by mold or fungus except as provided under the Limited Fungi, Wet or Dry Rot Coverage endorsement.

F-10 Power Failure Off Premises. We do not cover loss from power interruption originating away from the residence premises.

F-11 Collapse. We do not cover collapse except as caused by a named peril in Section II or by hidden decay or insect damage.

F-12 Animals and Vermin. We do not cover loss caused by birds, vermin, rodents, or insects, or by animals owned by an insured.

F-13 Settling and Cracking. We do not cover loss caused by settling, shrinking, bulging, or expansion of foundations, walls, or pavements.

F-14 Government Seizure. We do not cover loss from seizure of property by governmental authority.

F-15 Vacancy Vandalism. We do not cover vandalism if the dwelling has been vacant more than 60 days.

SECTION IV — CONDITIONS

Because this is a named-peril form, any loss not arising from one of the perils listed in Section II is not covered, even if not separately excluded in Section III.

Insured's duties after loss: give prompt notice, protect property from further damage, and cooperate with the investigation.
